PROPERTY DESCRIPTION

G-O-R-G-E-O-U-S! This one jumped right **out of a magazine** and sits on a **large, pie shaped lot** at the end of a court in a great, family area of Oshawa.

Along the fence-line is a stand of **beautiful, mature trees** creating privacy for the back yard. Principal **room sizes are spacious** with gleaming, **hardwood floors**, an awesome kitchen with **granite counters**, huge living room and **separate family room** that's light and bright and if that's not enough, a gorgeous and refreshing **i-n-g-r-o-u-n-d p-o-o-!!**

This home has been lovingly cared for by the current owner but we **don't think it's going to last long.**
